Manutd Jersey Icon - Free Icon by IoFreakin.tv on May 22, 2012The sun shining after a defeat, Manutd Jersey with the star an icon is showing the makings of a team built up on hope and on the pitch: a red jersey with white stars and white shorts. After the defeat of the King's Cup, it's not time to cry, but it's good to find the right words to sum up what's happening in front of the football arena with this icon. A duel between the names of two extinct nations is open: Football vs Soccer. With the white star Manutd Jersey is telling us that the eternal fight is going on. It's also a familiar reference to the historic Italian National Team, a symbol of the will to fight and to win. The new jersey is launching a kind of renaissance: it represents this good will to restart and to regain the lost time, but also a good football and a great team, ready to attack the Champions League and the King's Cup at the same time. 11. 23. 32.
